Dear Dave,

Thank you so much for your wonderful presentation to our student body! Your program, "The Power of Boldness" gave our students the motivation they needed to get involved in events on the East Georgia College campus and in their communities. Your real life stories mixed with just the right amount of humor quickly grabbed the attention of all the students.

I highly recommend your program and you as a presenter to anyone who may be considering your services. Best wishes to you for continued success in your career.

Sincerely,

Dianna Wedincamp
